The amendment filed on 2 August 2004 has been entered and overcomes the rejections of claims 1-7.

Allowable Subject Matter

1. Claims 1 and 3-7 allowed.
2. The following is an examiner's statement of reasons for allowance: Regarding independent 1, the prior art of record neither shows nor suggest an arc discharge lamp comprised of, in part, an amalgam retainer of ceramic felt in the arc chamber, along with the other limitations of the claim.

Due to their dependency, claims 3-7 are necessarily allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
